

Dear Business Owner,

NixCancer Foundation was established to honor Nicholas Mincarelli's life by assisting families fighting pediatric cancer and funding research for Rhabdomyosarcoma. Our vision is to build individual housing units near CHOP for children and their families to stay in when receiving treatments. On October 15th, we will be having our annual Heroes for Nick 5K, Family Walk & Kids' Hero Dash at Plymouth Whitmarsh High School. A portion of the proceeds from this event will go directly to Margo, our 2023 honored hero. Please visit our website to learn more about him and our other honored heroes [www.nixcancerfoundation.org](http://www.nixcancerfoundation.org).

We are looking for shirt sponsorship, raffle baskets, prize items, gift cards and monetary donations to purchase race refreshments. We have levels of corporate sponsorship available to businesses wishing to partner with us. Each level will have increasing amounts of exposure and free advertisement included as part of the sponsorship package. Please see the attached sponsorship levels/shirt sponsors.

**Donations need to be received by September 1, 2023 to be included on the back of our team shirts.**

- ♥ Worldwide, 175,000 children are diagnosed with cancer each year. And in the U.S., more children die of childhood cancer than any other disease.
- ♥ Two-thirds of children treated for childhood cancer will suffer long-term effects from treatment including loss of hearing and sight, heart disease, secondary cancers, learning disabilities, infertility and more
- ♥ Less than 4% of the National Cancer Institute's budget is solely dedicated to childhood cancer research.

Thank you in advance for considering this request. It is only through partnership with local companies that we will be one step closer to a cure for pediatric cancer. NixCancer Foundation is a not-for-profit, section 501(c)(3) EIN 47-1008895

Sincerely,  
Michelle Weidamoyer
